The 3rd IAPR Asian Conference on Pattern Recognition (ACPR2015), sponsored by the International Association of Pattern Recognition (IAPR) and supported by Malaysian Image Analysis and Machine Intelligence Association (MIAMI) and IEEE Computational Intelligence Society (CIS) Malaysia Chapter, will be held on November 3–6, 2015, Kuala Lumpur, Malaysia. The ACPR 2011 was held at Beijing, China; while ACPR 2013 was held at Okinawa, Japan.

The biennial conference aims at providing one major international forum for researchers in pattern recognition and related fields to share their new ideas and achievements. Submissions from other than the Asia-Pacific regions are also highly encouraged.

Topics of interest include all aspects of pattern recognition including, but not limited to:

A) Computer Vision and Robot Vision

B) Pattern Recognition and Machine Learning

C) Signal Processing (signal, speech, image)

D) Media Processing and Interaction (video, document, medical, biometrics, HCI, VR)

All accepted papers will be included in the IEEE Xplore and indexed by EI.

Important Dates:

- Tutorial/Workshop Proposals - May 15, 2015
- Paper Submissions (NEW) - July 17, 2015
- Author Notification - Sept. 07, 2015
- Camera Ready - Sept. 28, 2015
